FOR IMMEDIATE RELEASE

Gogebic Solid Waste Transfer Station Closed for Compactor Replacement

Our transfer station will be closed to the public from Monday, January 13th through Wednesday, January 15th, 2025, to complete essential equipment maintenance and replace the facility's compactor. During these dates, residents and businesses are advised to temporarily store their waste and delay transfer station visits until Thursday, January 16th, 2025. Normal operations will resume at that time.

For any questions or concerns regarding this temporary closure, please contact:
